

ABHI GOLHAR

Finance & Investment Expert, Syndicated Radio Host, & Author

BIOGRAPHY

After years of successful entrepreneurial ventures and his fair share of setbacks and failures, Abhi Golhar speaks to audiences worldwide about winning the game of doubt in business and life, branding, and building wealth.

As a transformational keynote speaker and Managing Partner of Meridian 84 – a private equity firm investing in the success of Midwest small businesses – Abhi equips leaders and high performers with the tools and mindset shift needed to harness doubt as a catalyst for growth.

His unique perspective on navigating the business world has made him an influential contributor on air as a nationally syndicated radio host on the Wall Street Radio Network and to major publications, including Forbes, Inc., Huffington Post, and notable real estate magazines like Inman and Think Realty.

Abhi's bold message and unfiltered, tell-it-like-it-is personality cut through the noise of the personal development space, offering a refreshing take on how to master confidence and overcome doubt to build your influencer brand and build wealth.
