

Nikki Greenberg is a world-renowned futurist focussed on the trends and technologies shaping the future of the built world. In her high-energy keynotes, she explores how emerging technology is transforming people, places, and organizations. More than an inspirational voice, Nikki delivers practical strategies drawn from her proven experience leading projects built to serve generations to come. She is one of the most highly sought-after keynote speaker at events across real estate development, investment, management, PropTech, smart cities, hospitality, construction, and more.

NIKKI GREENBERG

B.Arch (Hons), M.Arch, M.Comm

Nikki Greenberg is a world-renowned futurist and multi-award-winning executive advise who prepares organizations for a tech-enabled future. She empowers leaders to reimagine their businesses in line with the rapidly digitizing ways people live, work, shop and communicate.

With a two-decade career in the property industry, Nikki began as an architect and urban designer in Australia before taking on leadership roles with Fortune 500 companies. Most recently, she served as Head of Technology Strategy for a global investment manager with a \$70 billion portfolio, where she spearheaded a bold digital transformation. A true global citizen, her career has spanned the US, Asia, Europe, Africa, and Australia.

Nikki is the Founder of Women in PropTech, a three-term Chair of ULI New York's Technology Council, and serves on the boards of PropTech Sweden, World Smart Cities Forum, and Bondi Innovation in Australia.

Based in New York City, she is widely regarded as one of the foremost thought-leaders on the future of cities, business, and technology.
